Say Well Done...

Do you know that special volunteer who deserves an award?

There are many awards that can be presented, including thank you & good service awards, County (including the Standard Awards), Region & National Awards. Anyone can make a nomination, even you!

If you know someone who deserves that recognition then go ahead & nominate them—they deserve it!

How do I nominate someone?

You can nominate someone at any time. Just visit the County website & log into the members area, under the 'Awards' section you will find the leaflet explaining the different awards & their criteria. Next you will need to download & complete the application form, & submit it with the support forms, which are also found on the County website. Once these forms have been submitted to the awards committee, they will meet to discuss the application & decide which award should be presented.

For more information, the County awards flyer & nomination forms visit: www.girlguidinghantseast.org.uk & click on 'MEMBERS'.
