TRUSTEES' ANNUAL REPORT

for the year 1st January 2019 to 31st December 2019

Hampshire East Guide Association, operating as Girlguiding Hampshire East, is a branch of The Guide Association, 17-19 Buckingham Palace Road, London, SW1W 0PT registered with the Charity Commissioners (No. 306016) and constituted by Deed of Trust.

This report provides information on the Association's activities and achievements in the past year, including any changes that have taken place, as well as possible future developments.

Structure, Governance and Management

The work of the Association is conducted through its County Commissioner and Division Commissioners and sub-committees, advisers and staff of one County Administrator, as well as voluntary workers whose contribution towards the success of the Association is greatly appreciated. There is, nevertheless, a constant need for more members to become involved in voluntary work of this kind.

The function of the County Executive Committee of Hampshire East is to direct the general development and foster the growth and spirit of the Guide Association within Hampshire East County in accordance with the provision of the Guiding Manual. The voting members of Hampshire East Executive Committee are the charity trustees of Hampshire East County in accordance with the provisions of the Charities Acts. Details of these and the Holding Trustees are appended.

Objectives and Activities

Girlguiding is the leading charity for girls and young women in the UK. Thanks to the dedication and support of 100,000 amazing volunteers, we are active in every part of the UK, giving girls and young women a space where they can be themselves, have fun, build brilliant friendships, gain valuable life skills and make a positive difference to their lives and their communities. We build girls' confidence and raise their aspirations. We give them the chance to discover their full potential and encourage them to be a powerful force for good.

The Association has continued to actively develop its activities through the various groups which are either promoted by the Association or provided with its facilities.

Financial Review

The financial position of the Association is sound, with reserves having been accumulated to meet the cost of future development projects, particularly for training initiatives.
