Annual Subscriptions for 2023

Please be aware that in early October, we will be reviewing the County's share for the Annual Subscription for 2023. With the cost of living, all units should be using this cost of living and have taken a decision to decrease the County's share by £1, to £5.50 per head, for this year only.

Here is the link to the Reviewers Check Sheet - [Independent Review with a potential 3,500 members](#), the reduction to the County is £1.00 per head. If you are using the Guiding Accounts Package, please note you should be using the 2019 version - this one has the column for online Payments and Subscriptions. A reconciliation sheet £1.00 per head is available for £1.50 along with the Guiding Accounts Package here: [Unit-Divisional/District Year Reviews/](#)
