County Finance Committee

County are looking for someone to take on the Role of Chair of Finance. Responsibilities include helping to oversee and manage the finances of the County on behalf of the County Executive, to ensure proper records are kept and to help set, approve and monitor the annual budget spend.

The Committee meets at least 3 times per year and you will be required to set the agenda, chair meetings, take notes and produce minutes. As well as the meetings, you may be required to chase and review unit accounts.

For this role County are looking for someone who has some accounting / finance experience. Would you or anyone you know be interested in being part of the Finance Committee? They don't necessarily have to be in Guiding so long as they are aware of the Guiding ethos. Can be male or female.

If you would like to find out more about what is involved as Chair of Finance Committee or would like to be considered for the role, please contact Karen O'Connor, Chair of Finance Committee - hefinancecommittee@outlook.com and/or Lyndsey Cook - hantseastcc@outlook.com

Golden Jubilee Challenge Badges

We are experiencing a delay to our order of the Golden Challenge badges which are manufactured in China.

As you are aware, the situation is changing on a daily basis but the badge company is starting to hear more positive news from their colleagues in China. Many of their factories have been given permission to reopen now. However, staff numbers will be a challenge for the next couple of weeks for every factory as many return to their home regions.

If you are ready to order your badges, please send me your order and I will get them to you when I receive the delivery.
