Guides and Rangers have the exciting opportunity to work towards the Guide camp permit. This permit will give you a taster of the skills and knowledge to lead your friends on camping trips. The permit will boost your camping experience and leadership skills.

The permit enables you to take between four to eight Girls (including yourself) away for a camping experience for two nights or more.

The permit is made up of seven challenges, which you can complete individually or in sets. Each challenge covers a different area of how to plan and run a camping trip.

Register for the event by filling in the form on Girlguiding Hampshire East website in the members area under residentials. and email to hantseastympermitt@outlook.com

Leaders can mentor their girls through the camp/lead away permit book online from the GirlGuiding website ready for the assessment weekend, Leaders DO NOT need to attend the weekend, We have leaders on site at all times
