Meet Abiee Harris, County Peer Education Coordinator

Hi, I'm Abiee and I'm the Peer Education Coordinator for Hampshire East. I grew up in Hampshire East and have finally made it back! At the moment I am on a mission to get some more Peer Educators trained in the county so we can get out and deliver fun and relevant sessions for your girls. If you are interested in finding out more about Peer Education send me an email, I'd love to say hi!

Inspire

Are you a leader or unit helper in Hampshire East? Are you aged 18-30?

Our community for women aged 18 to 30 is fun, flexible and tailored to you!

Whether you are looking for adventure, to travel the world, build your skills or simply have fun with new friends, this is the place in Girlguiding for you. There are loads of opportunities for members aged 18 to 30 to choose from. They fit into seven themed pathways. You can follow one particular pathway OR, because we're all different, mix and match to create a new path just for you. As well as the seven pathways, you can access learning and achieve awards.

And for when you just want to socialise, there's a range of fun opportunities to make new friends and catch up with old ones. Whatever you decide to do, you'll be joining a community of women choosing their own path and shaping the future for us all.

Inspire Hampshire East is for all members/volunteers in the county aged 18 to 30. With a flexible commitment you can get involved as much or as little as you want. Inspire events are run nationally, regionally and within the county.
