

Safe Space Training

Sunday 21st January

Marriott Hotel Portsmouth

The County Training team are putting on three Level 2 Safe Space sessions on Sunday 21 January, 9.30am - 1pm.

These sessions will be using the new Level 2 Safe Space materials. This is suitable for all leaders and assistant leaders who have not done the current Safe Space session (ie. in last three years).

Everyone must do Level 1 Safe Space online on www.girlguiding.org.uk before coming to this session and bring their completion certificate with them. The online session takes about 45 minutes. You cannot be accredited with Level 2 unless you have first done Level 1 online.

Leaders on LQ have been sent separate invitations to these sessions.

Unit leaders (those with LQ Module 4), and anyone with a Going Away With Qualification, should note that they will need to do Safe Space training to Level 3 (available at Region events in 2018) and that Level 2 must be done before attending a Level 3 session.

To book a space please complete the attached booking form and send to Karen O'Connor - by e-mail to hantseastadm@outlook.com or by post to 10 Denewulf Close, Bishops Waltham SO32 1GZ. Closing date 18th December.

Confirmation and further details will be sent to you by e-mail. Non-attendance once a place is booked will incur a cost equivalent to the hotel's day delegate rate, which will be billed to your Division, who will then decide how to recoup this cost from you.
